

Our Lady of Fatima Youth Program Interest Survey

Dear Parishioners,

Our Lady of Fatima is interested in starting a Youth Program within the parish. This program would help our youth get to know each other and develop friendships, which may encourage them to deepen/strengthen their social growth and Catholic values.

As with many Youth Programs at other parishes, leaders plan simple activities, such as games and outings, to provide a fun and community experience. This survey will help us decide if there is enough interest to start a program.
